

Welcome to March 2023 eNews

A MESSAGE FROM THE PRESIDENT

Two months of 2023 disappeared already!! GSQ activities have begun in earnest. A small group has been established to explore the topic of Rebranding – do we need to rebrand, and, if so, what should this involve? Obviously, a final decision will not be made without extensive input from our members.

A Grant Application has been lodged for the Super Round of the Gambling Community Benefit Fund which closed on 28 February, 2023. The application, if successful, would involve the digitisation of many of GSQ's Microfiche and Microfilms and also some of our Map collection. Club Southside has advised that its Grant Applications for 2023 are now open – GSQ will be applying for a Grant from that source as well.

GSQ's Education Program is second to none!! I'd like to express my appreciation to Marg Doherty and her committee for the wonderfully varied program they have planned for 2023. I urge you to check it out – upcoming events appear later in this edition of eNews.

Perhaps this is the year you should consider entering the Joan Reese Memorial Short Story Competition. The topic for this year is "A Love Story". This topic provides plenty of scope – you could write about love between ancestors, or perhaps the love that an ancestor had for community, place, a treasured heirloom, a garden or even a pet. Entries are to be received no later than 2 May 2023. Full details are available on the Website under Events.

Another item available on the website, this time on the front page, is information about Cash for Cans – this is an easy way for GSQ to raise funds. Copy the Scheme ID onto your phone or print it off and take it to your closest "Containers for Change" facility – at some facilities you simply remain in your car while the cans/bottles are processed; at other you need to take the items into the facility for processing. Let's see what we can do in 2023!!

Helen Veivers, President

GSQ is in need of somebody who is willing and able to change what appears on our large Outdoor Sign on a regular basis. We use this Sign to advertise events such as Open Day and Education Events to those driving on Mt Gravatt Capalaba Road in either direction. To do the job you need to wind the Sign down to its lowest position, change the letters and then raise the Sign again. The required letters are stored in a Box in the room adjacent to the Secretary's Office. You will need to climb on a low ladder (supplied) – unless you are quite tall - to access the top areas on the sign. If interested in helping in this way, please contact President, Helen Veivers at president@gsq.org.au.

ZOOMZOOM

Through phoning members, our Membership Officer, Kerry Beeton, has discovered that there are some members who do not know how to use Zoom. If this is a problem for you, then you are certainly missing out on quite a lot that your GSQ Membership provides! When you discover how simple it is, you'll wonder why you have not begun using Zoom earlier!

Step 1: Go into the Search Engine of your choice and Download Zoom on to your device (Desktop Computer or Laptop – you can use Zoom on a Mobile Phone, but it's probably not the easiest thing to start with.) Your device will require access to Speaker/Microphone and to Video. If you have an older device without these facilities, plugging in a WebCam works very well.) When your download is complete, some instructions for using Zoom should appear – you could print these or take some notes, should you wish to do so. You should now be ready to join your first Zoom Meeting!!

Step 2: The Host of your meeting will email a Zoom Link. Around 10 minutes prior to when the meeting is due to start, click on this Zoom Link and you will be taken to a "Waiting Room". Your Host will receive a message that you are in the Waiting Room and will admit you.

Step 3: You're now ready to join in the meeting's conversations.

COMMITTEE SNIPPETS

Joan Reese Memorial Short Story Competition

The 2023 Joan Reese Writing Competition provides a cash prize to the value of \$100. This prize is partly funded by the GSQ Writing Group, as a way to encourage members to write up the results of their research.

The topic for 2023 is "*A Love Story*". Love can take many forms. Write a family story which focuses on a love story. Does the story reveal the love between ancestors or maybe it was the love that an ancestor had for community, place, a treasured heirloom, a garden, a pet? What was the significance of this love to your family? The meaning should be clearly explained and its significance to your family shown. GSQ welcomes inclusion of a relevant photo or photos that help to support your story and looks forward to reading your stories.

Deadline for submissions

Entries must be received no later than **2 May 2023** (no entries will be accepted after that date).

Entries to be emailed to info@gsq.org.au with "*Joan Reese Memorial Short Story Competition*" in the subject line.

Special Interest Groups

Subject to the restrictions regarding the Covid-19 situation, some interest groups will be holding their meetings at GSQ. Some groups are conducting virtual meetings through the use of the ZOOM platform.

Colonial & Convict Connections Group

The next meeting for Colonial & Convict Connections is on Sunday 11 June as Easter falls on the date in April at Stackpole Street.

English/Irish Group

The English/ Irish Group will meet on Sunday 2 April at Stackpole Street from 9:30 AM.

The next meeting of the English Irish SIG will be Sunday 2nd April at GSQ's Wishart premises. The doors will open at 9.30am with the meeting commencing at 10.00am. GSQ will remain open for personal research till 2.30pm if members decide to stay on after the meeting.

I'm hoping the April meeting can be a hybrid one – that is, a meeting at GSQ and via Zoom. I know it is attractive to be able to attend meetings via Zoom, but members will need to bear in mind that at hybrid meetings using the equipment we have available at the moment, Zoom attendees will only be able to see the speaker at the meeting – that is, not all of the attendees at once who are actually at GSQ.

The April county presentation will be on the Irish county of Londonderry.

If you have English and or Irish ancestors, this is the SIG for you. Do you have a bit of an Irish or English (or both!!) brick wall? Bring the problem ancestors with you – the group may be able to make some suggestions that may at least knock a brick off the wall, if not the entire wall!

I look forward to seeing everybody on Sunday 2nd April 2023.

Convenor, Kim Davis irisheng@gsq.org.au

Do you access any of GSQs Special Interest Groups (SIGs)? If not, why not? The groups are friendly spaces where members can share experiences of their research, learn from each other and have a cuppa with like-minded people.

If you have questions about any particular SIG, contact the convenor on their GSQ email for more information. They will be more than happy to answer any group related questions.

DNA Group

The next meeting is on Sunday 19 March 2023 and the first 2023 DNA Clinic is 29 March via Zoom.

We will continue to meet via Zoom in 2023.

Scandinavian Group

The next meeting is on 19 March 2023 @ the GSQ premises from 12:30 PM.

The Scandinavian Group had our first meeting of the year last Sunday. Several members came along and contributed to news from Denmark, Norway and Sweden, and news about their own research. After the meeting Steinar helped a couple of members find more ancestors in Scandinavia.

We have an email group for people interested in hearing about our meetings and other news of interest. Email Steinar if you would like to be in the group.

scangroup@gsq.org.au

German Group

The German Group will meet on Sunday 26 March 2023 @ the GSQ premises from 10:00 AM.

Writing Group

The next meeting is on Sunday 16 April 2023 via Zoom.

The Writing Group had a really interesting meeting on 19 February. Our topic was how to best structure a family story/ history. There are many ways to do this – it all depends on the story you want to tell, your audience, and your style of writing. We reviewed short introductions submitted by members as a lead-in to the main discussion. We are a collaborative and supportive group and would love to welcome you if you are interested in writing up your research.

If you wish to be added to the Group email list contact Pauline on pstirland@hotmail.com or writing@gsq.org.au.

Special Interest Groups

Family History Technology Group

The FHTech group will meet on Sunday 12 March via Zoom @10:00 AM

The FHTech SIG is active and everyone who attends becomes involved. It is a forum to discuss any issue about your computer, the clouds (what are they?), ways of managing your computer files and any other technical issue you can think of. We often discuss features about Legacy and Family Tree Maker. However, at last session we reviewed "Family Historian" program. The latest version has just become available, and everyone agreed that it is a very impressive product

The intention of our group is to learn skills from other people. There is no right way in most cases, so to find out how to do something new is a good feeling. The next session is 12th March starting at 10:00 am. Normally our session is the second Sunday of the month. If there is an issue you would like to discuss please drop me an email and we will include it in the session. Everyone who is on our mailing list will receive a communication prior to session. Those of you who are not on the mailing list but would like to be send Graeme an email at fhtech@gsq.org.au

Scottish Group

The next meeting is Sunday 5 March at GSQ and via Zoom.

Our upcoming meeting will be on Sunday 5 March at 10:00 am. We will conduct the meeting as a hybrid ZOOM and on-site meeting, so if anyone would like to join us remotely please contact us to obtain the necessary ZOOM credentials.

At this meeting, we will hold our annual election of office-bearers for the group. ***Our regular county record lecture will be on the county of East Lothian, and Mike Boyd will be our presenter.***

The Scottish Group intends to participate in the annual Tartan Day celebrations, which this year will be held at Brisbane Boys College in Toowong on Saturday 17 June. It will be a major event, with pipe band championships, highland dancing, plenty of entertainment and lots of food vendors. Mark this event on your calendar if you have any Scottish blood at all, or even if you don't.

Our meeting and talk schedule for 2023 and it is as follows:

5 March	East Lothian (Mike Boyd)
7 May	Ross & Cromarty (Ailsa Corlett)
2 July	Aberdeenshire County (Stuart Neill)
3 September	Peeblesshire (Marie Rosborough)
5 November	Caithness (Alistair Henderson)

Volunteer Coordinator Report

An interesting statistic was brought to my attention the other day. Please remember there are NO paid positions within GSQ as you read the following. GSQ has 69 volunteers covering 139 roles in GSQ meaning there are members filling at least two volunteer roles. Some members are doing a lot more than two volunteer roles.

I would like to see the burden spread a little more evenly across the membership.

I won't name all the volunteer roles that exist in GSQ, but I will reinforce that all these people are volunteers, giving their time freely to enable GSQ to function for the benefit of its members. In an organization like GSQ, we can't have too many volunteers. If you put your hand up, we will find a volunteer role that suits your skill sets (maybe from your occupation – present or past) and interests.

There are roles you can do from home and or at GSQ's Wishart premises. There are also external roles such as manning stands at shopping centres in an attempt to attract new members and visiting the likes of retirement villages which we are looking to commence in the near future.

On the GSQ website, under Volunteer on the home page you will find a link which takes you to a document listing the types of volunteer roles we have. Please give a lot of thought to what you could do and I would be very happy to have a chat with you about finding a role for you. If you would like to contact Kim, you can do so on volunteer@gswq.org.au

GSQ Notices

GSQ Facebook Page & GSQ Facebook Group

GSQ Facebook Page is a public page so you don't have to be a Facebook member to see what we post there. Each Monday we publish the GSQ Blog for the week and interesting genealogy news and articles from all around the world are published on the other days of the week.

Additionally, the GSQ Education program is published for the year, so we post the Events coming up in the next month or so. These presentation advertisements always includes a link which takes you directly to the GSQ Events webpage for the particular event.

Feel free to Like or Follow us and also to leave a comment on any of our posts. Contact enquiries to Bobbie Edes on facebook@gsq.org.au

GSQFB was set up to provide a Facebook presence where GSQ members and non members can interact. We have had a Facebook page for a long time but only recently set up the new private group. Only the members of the group can see what you post. Here you can ask questions, and share your gene successes and frustrations. No question is too dumb, someone else will be pleased you asked. SIG leaders can post information and Library assistants can talk about their favourite resources too. It is an interactive space where you will also learn more about the resources GSQ has and how to continue your research. Here we will continue to build our GSQ community and encourage more to join us. You don't need to be a GSQ member to join the group. Do tell your friends about GSQFB but they must apply to join. To join the group, sign in to Facebook, use the magnifying glass to search for "GSQFB", and answer THREE questions. To create a shortcut to find GSQFB next time you log in to Facebook, on your home page you will see the option to "Edit Shortcuts" on the left side of your computer. Click this and follow the prompts. If you have any questions then please email Rhoda at gsqfbgroup@gsq.org.au

GSQ Blogs

Our GSQ Blogs in February were stories by Yvonne Tunny, Janine Heggie, Ross Hansen & Jennifer Harrison with all submitting interesting stories.

Our GSQ blogs are released early on each Monday morning and are also published on our GSQ Facebook Page and GSQ Facebook Group.

This is a direct link to the blogs page and we encourage you to comment on the blog itself: <https://gsq-blog.gsq.org.au/>

GSQ ZOOM Meetings

Monday Morning ZOOM for GSQ Members Only, starting at 11:00 AM AEST

We have enjoyed returning to our Monday Morning Zoom meetings in February and were impressed with all everyone has been able to achieve over the Christmas/New Year break.

Ailsa & I have been busy with our own genealogy for a change and really enjoyed having the time to do this over the break. But now into 2023!

We have some ideas and plans for our Mondays and everyone will be involved.

So put Monday at 11am into your calendar now and the link will be sent out on the Sunday evening.

See you all then and all GSQ members are welcome

If you want to join us on Mondays please send an email to mtzoom@gsq.org.au and we will add you to our list and look forward to working with you regarding your family history.

Wednesday Night ZOOM, open to everyone & FREE starting @ 7:00 PM AEST

The Wednesday Zooms are on the 2nd and 4th Wednesday nights each month at 7:00 PM AEST – check out the GSQ Events Calendar to see who guest speakers are for the month.

The 2nd Wednesdays are designated as Research nights, meaning you can bring along some of your research problems or questions about how to do something. Some genealogical topics will also be talked about – remember these nights are for you to question and ask, and as a group to help each other solve some issues.

The 4th Wednesdays are when we have a guest speaker attend, covering a variety of topics. These guests spend a lot of time preparing for their presentations, so it is nice if we can have as many people attend to appreciate their knowledge.

Wednesday 22nd March will be guest speaker – Marg Doherty with A Nurse in the Family. Read about it on the GSQ Events Calendar.

Wednesday nights are open to anyone to attend – not just GSQ members. So please advise your friends and family about these evenings especially if they are interested in genealogy. Some might even like to join GSQ.

There is no cost to attend these meetings but a donation to the group is always welcomed.

Please send email to wedpmzoom@gsq.org.au if you would like to be added to our attendance list.

Research Support and Chat for GSQ Members Only 1st & 3rd Wednesdays of each month starting at 11:00 AM AEST

The next meeting of our Wednesday Morning Zoom Group is on 1 March when Bobbie will be doing a topic presentation on Creating a Research Log. This will be followed two weeks later with a session where we all investigate one of our members brick wall ancestor. In February we concentrated on two siblings with an unknown, but supposed, Hampshire link. Many different paths were followed independently by our group with one member possibly coming up with a helpful archives file, so fingers crossed that the lead is fruitful.

Our meetings are on the 1st and also the 3rd Wednesday of each month at 11am and usually go for about 90 minutes. Any GSQ member can attend these Wednesday morning Zoom session by emailing wedmorningzoom@gsq.org.au and asking to go onto the mailing list.
