Welcome March

St Patrick's Day
17 March

Message from the President

The Conference Month has arrived!! After two years of planning we are almost at the dates for the GSQ Conference being held at Brisbane Technology Park, 21- 23 March, 2025. It's not too late to book, if you haven't already done so – bookings close on 10 March.

It's also the time of the year when we ask members to nominate a member, a volunteer member, to be named as the winner of the Margaret Coleman Award for 2025. The Award will be presented at a Morning Tea on Saturday, 24 May in Volunteers' Week. Members of the Management Committee are not eligible to receive the Award. I need to receive Nominations no later than Friday 14 March, to allow ample time for discussion at the March Management Committee meeting. To nominate someone, please complete one of the Forms available at our Resource Centre, or simply send a message with reasons for your nomination, to president@gsq.org.au.

GSQ is once again searching for new premises while we await a communication (expected in May) from our current Landlord. We've once again been in contact with the Anglican Church and have been asked to notify their Properties Manager, if we locate an Anglican Church Hall that appears to be under-used. The building would need to be on the southside of Brisbane and within a reasonable distance of the CBD. Should you have any other ideas for possible premises, please email me at president@gsq.org.au. Along with Treasurer, Mike Houlahan, Vice President, Alistair Henderson and Management Committee member, Paul Grevell, I am a member of the Property Group.

GSQ has entered the Nick Vine Hall Award for 2025. This award celebrates the work of Nick Vine Hall who was a champion of Family History. The entry involved selection of an edition of "*Generation*" during the past 12 months. Our editor, Russell Fraser, was particularly keen that the December 2024 edition be selected. (Russell, by the way, is not very well at all and will be unable to continue in that role. Should you be interested in taking on the role of "*Generation*" editor, please contact me at president@gsq.org.au. On that note, I would like to express my appreciation to Janice Wellard, with assistance from Sharyn Merkley, who is currently working on the March 2025 edition of "*Generation*". Tina Louise also deserves a special "shout out" for the fabulous job she does in design for each of the editions.

In the February edition of eNews a call out was made for someone to take on the role of "Events Coordinator". Nobody has expressed an interest at this stage and it has been suggested that the role title should be changed to "Social Organiser". This person would coordinate possible trips to such places as the State Archives, St Helena Island and so on. If interested in being GSQ's Social Organiser, please contact me at president@gsq.org.au.

Here's to a very successful Conference!

Helen Veivers, President

Please Note:

GSQ's Resource Centre will be closed for research by GSQ members on Thursday, 20 March, 2025 – on this day Conference Attendees have been invited to visit our premises to have a look at our collection and to do some research. Thanks for your cooperation with this. The Premises will be open for GSQ members on Tuesday, Wednesday and Friday of the week in question.

Helen Veivers, President

Volunteer Coordinator Report

I won't name all the volunteer roles that currently exist in GSQ, but I will reinforce that all these roles are filled by people who give their time freely to enable GSQ to function for the benefit of its members. In an organization like GSQ, we can't have too many volunteers. If you put your hand up, we will find a volunteer role that suits your skill sets (maybe from your occupation – present or past) and interests.

There are roles you can do from home and or at GSQ's Wishart premises. One such role is helping the Research Group. This group does family history research for members and non-members alike. It is an important source of income for GSQ. The benefit for you is helping other people learn more about their family history and honing your research skills.

It is something you can do at home and at GSQ.

Perhaps helping to raise funds for GSQ is something you would like to do. If that is the case, helping at a Bunnings BBQ might be right up your alley. You have a bit of fun while helping to raise money for GSQ. And the best bit might be you don't need an excuse to visit Bunnings – you are there!

On the GSQ website, under Volunteer on the home page you will find a link which takes you to a document listing the types of volunteer roles we have. Please give a lot of thought to what you could do and I would be very happy to have a chat with you about finding a role for you.

Kim Davis, Volunteer Coordinator

Membership Officer Report

Welcome to our new members who have joined us recently...I hope to speak with you in the next few weeks to say Hi and see how you are going with your research on-line....and maybe meet you at the rooms at some point to say hi.

It has been lovely to see a few new members attending our Zoom and Interest Groups as well. If you would like any information about these groups, please contact the individual groups convenors for access to their meeting times, or I am happy to help you with how to do this.

Just a reminder that when your membership is due, you will receive a reminder 4 weeks prior and another 1 week prior. Thank you to those who have renewed before your expiration date....it is very helpful. If unfortunately for some reason you are unable to continue with your membership, please let me know by email so I don't bother you with a follow up call.

For all our members, if you have any questions regarding your membership, please email me and I am happy to assist you. My email is: membership@gsq.org.au

Containers for Change

It's as Easy as 1, 2, 3...

Many thanks to those who have been supporting GSQ with this fundraising arm. One of the deposits early in the new year was for \$136.10, so a considerable sum. Please remember that all you have to do is to collect empty bottles and cans, including

wine bottles, download the Barcode from our website onto your phone or print out mechanism (or simply take one of the Pre-printed slips from the Reception Desk) and visit a Containers for Change depot – they're situated in most suburbs. What a painless way for GSQ to increase its bank balance!!

Interest Groups

Chinese Research Group

The next meeting for the Chinese Research Interest Group will be on **Sunday, 16 March**, when Janis Hanley, with some help from Jan Richardson, will present on *A Far North Queensland road trip to Chinese market gardens and other Chinese sites*. The meeting is from 10 am to midday and is by Zoom.

Please come along. All GSQ members are welcome, whether they are experienced researchers or newbies.

If you are attending, please email me at the email address below, and I will send you the Zoom link. I will be online about 9.45 am on Sunday, 16 March.

Contact the group coordinator at chineseresearchgroup@gsq.org.au

* Non-GSQ members can attend two meetings without being a GSQ member.

Colonial & Convict Interest Group

It is with real pleasure that an upgraded pdf version of our Colonial and Convict Group research tool will be released soon. This is an essential tool that offers professional guidance and methodology for all family historians.

Soon to be released also is an upgraded opportunity to formalise your connections to your convict ancestors. Entitled, a Certificate of Proof, this document verifies your relationship, as evidenced by your family history research. Our sincere thanks are extended to Helen Connor for the time and effort she has devoted to both of these projects.

Visitors are very welcome to attend our next meeting on **Sunday, 13 April**, where our members will present a short talk about their research findings. Fleur will give a presentation about old occupations. Our meetings are available via zoom for those who are unable to attend in person. Doors open at 9.30 and the meeting commences at 10am. We certainly hope to see you there!

Meanwhile, members of our group will be assisting at the Connections Conference commencing on Friday 21st March. This promises to be an essential date for your diaries.

Contact Bev Murray at C&C@gsq.org.au

DNA Interest Group

Our next DNA SIG meeting is **Sunday 27 April** at 9:30 AM. Queensland time via Zoom. The remainder of 2025 meetings are in the GSQ calendar. Some of the meetings in 2025 will be hybrid, that is, both by Zoom and in the GSQ Resource Centre.

If you're interested in learning more about DNA, email dna@gsq.org.au and ask to be added to the email list. Non-members of GSQ can attend two DNA Interest Group meetings before they must join GSQ.

English/Irish/Welsh Interest Group

The next meeting of the English/Irish/Welsh SIG will be **Sunday 6 April** and will be a hybrid meeting.

The April presentation will be on the Irish County of Kilkenny by Kim Davis.

If you have English, Irish or Welsh (or all three!!) ancestors, this is the Interest Group for you. Do you have a bit of a brick wall? Bring the problem ancestors with you – the group may be able to make some suggestions that may at least knock a brick off the wall, if not the entire wall!

I look forward to seeing everybody on Sunday 6th April either in person or via ZOOM.

If you are not on my mailing list, please email me at irisheng@gsq.org.au so I can email you the link to the zoom meeting. That will be sent a day or two before the meeting.

Convenor, Kim Davis

Family History Technology Group

Our first session for the year will be on **Sunday 9 March** starting at 10am. This is a Zoom session, and we would like to encourage all GSQ members to join us. Check out the GSQ events calendar for details.

We cover topics like – File management and storage; various software programs especially ones to use with family history; help in relation to GSQ website usage; common Windows/PC or Mac problems etc. We work together as a group to help each other to overcome issues; swap ideas and to help increase your confidence and knowledge on these matters.

Send email to fhtech@gsq.org.au to be added to our group and receive the link for Zoom for the meeting.

Interest Groups

German Interest Group

The German group meets odd numbered months and our next meeting will be **Sunday 30 March**; everybody welcome. Starting time 10.00.am, it is a hybrid meeting..

Should you wish to attend via Zoom please forward an email to germangroup@gsq.org.au. Non members of the society may attend for two meetings but after that we hope you will join GSQ as a member.

Scandinavian Interest Group

The next meeting of the Scandinavian group is **Sunday 18 May** at GSQ.

We have an email group with Scandinavian news and details about coming meetings. If you are not in the group and would like to be, please let me know. Email Steinar on scangroup@gsq.org.au.

Scottish Interest Group

Our next meeting will be on **Sunday 2 March** at 10:00 am. We will conduct the meeting as a hybrid ZOOM and on-site meeting, so if you would like to join us remotely please contact us at scotgroup@gsq.org.au to join our list and receive the credentials. Members and guests are most welcome.

At this meeting, our regular lecture will be on Lanarkshire Records, and Alistair Henderson will be the presenter. This is also the meeting where we elect our office bearers for the next year, so offers of assistance are welcome.

Writing Interest Group

The Writing Group held its first meeting for the year on 16 February via Zoom. Guest speaker, Greg Carlill spoke about Writing and Illustrating Histories with AI. He provided valuable ideas about using AI, as well as discussing its challenges and limitations.

Our writing exercise drew attention to the evidence we may seek to answer questions or solve mysteries of some family photos. Members found the exercise helpful as a guide to examining photos in their collection carefully, as well as helping to answer some questions they have had about 'un-named' photos.

The next meeting will be on **20 April, Easter Sunday**, 10.00am-12.00pm via Zoom for those able to attend. The meeting will focus on the use of humour in writing family stories. We will share strategies and language tips to add variety to our writing.

Joan Reese Short Story Competition 2025

The topic for the Joan Reese Short Story competition 2025 is *A short story from family history research you have undertaken*. We discover many interesting stories when researching family history. These stories may relate to an individual, an event which impacted on ancestors' lives or how a mystery or brick wall was solved. What was its significance to your research? This should be clearly explained. Share your story with the readers of *Generation*. The prize for the winning entry is \$200 and is partly funded by GSQs Writing Group. GSQ looks forward to reading your stories.

Entries close on 25 May 2025 and the winner will be announced at GSQs Open Day on 23 August 2025. Full details of the competition, including judging criteria and entry requirements can be found on GSQs website.

More information is available by emailing secretary@gsq.org.au

Please come along with information about what you did over the break in relation to your family history research.

Did you manage to get any time to do anything; did you break down a brick wall? Did you do that clean up and sorting as we all plan to do?

Come and join Helen and Ailsa with your cuppa (and all pets welcome) on Monday Zoom. Email us on mtzoom@gsq.org.au
