News

Message from the President

I have some exciting news to share with all GSQ members. GSQ was awarded first place in the Nick Vine Hall Award for Societies with more than 200 members, organised each year by AFFHO (Australasian Federation of Family History Organisations), for the best Family History Journal in Australia and New Zealand. We had selected the December 2024 edition of "Generation" as GSQ's entry. This is absolutely fantastic news and something about which all GSQ members should be proud. This particular edition was the final one edited by Russell Fraser. Russell was very ably assisted by Janice Wellard and Sharyn Merkley as Proof Readers and Tina Louise who does the beautiful design and setting out work. A Certificate proudly hangs at our premises at Wishart, and another will be presented to Russell.

Open Day on 23 August was a successful event. While we would have liked more visitors, those who came were very impressed with what GSQ offers. Many thanks to all involved in the Event – this includes Vice President, Alistair Henderson and Rob Thompson who collected and returned Marquees and Chairs, all who helped set up and dismantle the Marquees, Interest Group members who worked at the various stands, Elma O'Toole who, once again, managed the Café, Bob Dean and Greg Dean who cooked Sausages, Joanne Gibson who welcomed visitors, sold Raffle Tickets and managed the Bookshop, Kim Davis who, as Volunteer Coordinator, worked very hard in setting up and dismantling Marquees among other tasks, Dr Jennifer Harrison, Jan Richardson and Ailsa Corlett who provided presentations for visitors, Research Assistants who worked tirelessly with visitors throughout the day and Sue Grant who managed New Memberships and Finance. Thanks one and all!

I must say I was most impressed with the speed with which the Marquees were set up and dismantled this year. Just a great effort from all involved!!

On Thursday 21 August a group of GSQ members visited the National Archives at Cannon Hill. The group was treated to a presentation about the Archives, provided by Eve Terry, and then taken through the "back end" where we viewed some of the 25 kilometres of Archives stored there. The experience was certainly revealing and provided an insight into the operation of the National Archives Queensland.

GSQ's Annual General Meeting (AGM) is to be conducted on Saturday, 18 October, commencing at 10.00am at our premises at Wishart and also via Zoom. Nominations are now being called for positions on the Management Committee. Copies of the Nomination Form are available from GSQ premises and are also on the Website. **All Nomination Forms must be lodged by 3.00pm on Friday 12 September and require both a Nominator and a Second.**

GSQ's Scottish Interest Group has a busy schedule ahead. The Group will be represented at the Celtic Festival in Warwick, 3 – 5 October and at the Celtic Fest at Moorlands Park on 11 October. If interested in assisting at either of these events, please contact Alistair Henderson by emailing scotgroup@gsq.org.au.

Volunteer Coordinator Report

I won't name all the volunteer roles that currently exist in GSQ, but I will reinforce that all these roles are filled by people who give their time freely to enable GSQ to function for the benefit of its members. In an organization like GSQ, we can't have too many volunteers. If you put your hand up, we will find a volunteer role that suits your skill sets (maybe from your occupation – present or past) and interests.

There are roles you can do from home and/or at GSQ's Wishart premises. One such role is helping the Research Group. This group does family history research for members and non-members alike. It is an important source of income for GSQ. The benefit for you is helping other people learn more about their family history and honing your research skills.

It is something you can do at home and at GSQ.

Perhaps helping to raise funds for GSQ is something you would like to do. If that is the case, helping at a Bunnings BBQ might be right up your alley. You have a bit of fun while helping to raise money for GSQ. And the best bit might be you don't need an excuse to visit Bunnings – you are there!

On the GSQ website, under Volunteer on the home page you will find a link which takes you to a document listing the types of volunteer roles we have. Please give a lot of thought to what you could do and I would be very happy to have a chat with you about finding a role for you.

Volunteer Coordinator

GSQ Membership Report

What a wonderful Open Day we had on 23rd August. Welcome to all our new members this month, those who joined before Open Day and all those from the day. Unfortunately, I was unable to be there but hope to speak with or meet you in the future.

I hope you are finding your way around our website and if possible, visiting our rooms at Wishart where our knowledgeable and helpful Research Assistants are available to help you and friends talk about researching.

I am still trying to catch up with my phone calls, I look forward to speaking with you soon. For all our members, if you have any questions regarding your membership, please email me and I am happy to assist you.

My email is:

Containers for Change

Thanks to all who have contributed during August. As at 25 August, a total of \$82.10 has been added to GSQ's coffers during the month of August. This is especially pleasing, given there are quite a few Bottles/Cans that have been delivered to Wishart which need to be taken to a Depot. Taken over a 12 month period, the August total would amount to almost \$1000 additional income for GSQ. Thanks everybody for your support.

Record as you Go, Cite as you Go, and File as you Go

Presenter: Cyndi Ingle
Saturday 20 Sep @ 9:00 AM AEST
Cost: \$31 members \$41 non-members

Genealogists tend to get very excited about new records and sources they come across in their research. So much so that they grab a quick copy, download it to default folders, and move on to the next item without thoroughly exploring the source first. All too often they don't take the time to evaluate the source, to write the citation(s) for the source, or to file it in the correct spot. We have to slow down and take the time to think, to file, and to create notes about the source that make it easy to find that source again if needed. Doing this keeps our research more organized, but also keeps our research brain tidy as well. We will explore different options for accomplishing all of these important steps.

Cyndi Ingle

Cyndi's List has been a trusted genealogy research site for more than 25 years. Cyndi Ingle is the creator and innovator behind the award-winning and globally recognised [Cyndi'sList.com](https://CyndisList.com), a free categorised list of more than 337,000 links for genealogical research. Cyndi, a genealogist for more than 42 years, has an expertise in using technology for genealogy. Additionally, her many active years in genealogy have also resulted in specialities for research in the United States and bringing tighter traditional methodology with organization, computers, software, and the Internet. Interest Groups

Chinese Research Group

The next meeting of the new Chinese Research Group is on **Sunday, 21 September at 10:00 AM**. Natalie Fong will present 'Returning to Roots' - about visiting her ancestral villages in China. This will be by Zoom.

All GSQ members are welcome, whether they are experienced researchers or newcomers. If you plan to attend, please email me at the address below, and I will send you the Zoom link. I will be online about 9.50 am on Sunday, 21 September.

Contact the group coordinator at chineseresearchgroup@gsq.org.au

* Non-GSQ members can attend two meetings without being a GSQ member.

Colonial & Convict Interest Group

Whilst our interest group spans the early colonial period of Australian history up until Federation, we also cater for those folk who have convict ancestry.

We regard having convict ancestors as a privilege. To identify the necessary evidence that verifies our link to a convict ancestor is a fascinating research journey. The lives of convicts were well documented. Our Colonial and Convict group can help you to achieve this and when you do, you can then apply for a beautifully framed Colonial and Convict Certificate of Proof. Please send enquiries to: CandC@gsq.org.au.

Our next meeting will be held at the GSQ library on **Sunday, 12th October from 10am**. Attendance is also available via Zoom. Please send an email to C&C@gsq.org.au if you would like to join us.

DNA Interest Group

Our next DNA SIG meeting is **Sunday 26 October** at 9:30 AM. Queensland time via Zoom. The remainder of 2025 meetings are in the GSQ calendar. Some of the meetings in 2025 will be hybrid, that is, both by Zoom and in the GSQ Resource Centre.

If you're interested in learning more about DNA, email dna@gsq.org.au and ask to be added to the email list. Non-members of GSQ can attend two DNA Interest Group meetings before they must join GSQ.

English/Irish/Welsh Interest Group

The next meeting of the English Irish Welsh SIG will be **Sunday 5th October** and will be a ZOOM only meeting.

The October presentation will be on London by Angela Williams.

If you have English, Irish or Welsh (or all three!!) ancestors, this is the Interest Group for you. Do you have a bit of a brick wall? Bring the problem ancestors with you – the group may be able to make some suggestions that may at least knock a brick off the wall, if not the entire wall!

I look forward to seeing everybody on Sunday 5th October via ZOOM only.

If you are not on my mailing list, please email me at irisheng@gsq.org.au so I can email you the link to the zoom meeting. That will be sent a day or two before the meeting.

Family History Technology Group

We had a wonderful turn out of 36 attendees at our last meeting on 13th July, to listen to Helen Smith in relation to how to use and make the most of FamilySearch Full Text Search. This is a marvelous advancement to assist all of us and so many new records are showing that our ancestors were recorded in, e.g. were they a witness at a wedding/burial/will etc of someone you had not known about.

Our next meeting will be **14th September**, and we will cover the topics of **Creating a Research Plan; Timelines; and how to TRY and stream your research so that you do not go off and find those extra shiny objects that come up and you end up in Wombat holes.**

Please come along and enjoy the morning learning about this wonderful new resource that has been opened up to us all. Send an email to fhtech@gsq.org.au to receive the link to join our great group.

Interest Groups

German Interest Group

The German group meets odd numbered months and our next meeting will be **Sunday 28 September**; everybody welcome. Starting time 10.00 AM, it is a hybrid meeting.

Should you wish to attend via Zoom please forward an email to germangroup@gsq.org.au. Non-members of the Society may attend for two meetings but after that we hope you will join GSQ as a member.

Scandinavian Interest Group

The next meeting of the Scandinavian group is **Sunday 21 September** at GSQ.

We have an email group with Scandinavian news and details about coming meetings. If you are not in the group and would like to be, please let me know. Email Steinar on scangroup@gsq.org.au.

Scottish Interest Group

Our next meeting will be on **Sunday 7 September** at 10:00 am. **Helen Connor** will present on **The Highland Clearances**.

We will conduct the meeting as a hybrid ZOOM and on-site meeting, so if anyone new would like to join us remotely please contact us at scotgroup@gsq.org.au for the necessary ZOOM credentials. Both members and visitors are most welcome.

Writing Interest Group

At our August meeting, members of the Group considered the complex issues of ethics and privacy when writing family stories. Pauleen Cass was our guest speaker. Members demonstrated a high level of interest in these significant issues.

The next, and final, meeting for the year will be held via Zoom on 19 October when the topic will be strategies to assist with editing written work. If you would like more information and to be added to the group email list, contact Pauline on pstirland@hotmail.com or writing@gsq.org.au.

Not so complex search queries

Are you searching for common family names or phrases? Here are a couple of quick and easy search tips to help.

Add **~0** after a phrase in quotation marks to only find articles where the words appear next to other. "CharlesAllen"~0 will include results where the spelling might not be exact. This helps find articles that might have errors in the OCR transcript, such as Charles Aller.

Add **fulltext:** before the search term to find articles with that exact spelling, fulltext:"CharlesAllen" will find results with the exact spelling but there may be other words, like middle names, in between. See more tips about refining your search on constructing a complex search query help page. [Learn more](#)

Goodbye Winter... Welcome Spring!

Enjoy September ...

Enjoy Spring! It's the end of a cold winter and the start of our lovely spring season here in Queensland. Spring is the time to do spring cleaning and to prepare for the coming season. Perhaps we could spring clean our family history, or at least do a little bit of reorganisation. Maybe do that photo organising we have thought about or make sure our family history is saved and backed up. It's up to you!
